THEME

“INVEST IN OUR PLANET”

This is the moment to change it all - the business climate, the political climate, and how we take action on climate. Now is the time for the unstoppable courage to preserve and protect our health, our families, and our livelihoods.

worldwide campaign to remove billions of pieces of trash from neighborhoods, beaches, rivers, lakes, trails, and parks reducing waste and plastic pollution, improving habitats, and preventing harm to wildlife and humans.

The time is now to create a generation of citizens, workers, students, and leaders ready for climate change. We need public understanding of how to stop climate change and environmental harm

FOREST DAY – MARCH 21-2022

The **International Day of Forests** was established on the 21st day of March, by resolution of the United Nations General Assembly on November 28, 2013. Each year, various events celebrate and raise awareness of the importance of all types of forests, and trees outside forests, for the benefit of current and future generations. Countries are encouraged to undertake efforts to organize local, national, and international activities involving forests and trees, such as tree planting campaigns, on International Day of Forests. The Secretariat of the United Nations Forum on Forests, in collaboration with the Food and Agriculture Organization, facilitates the implementation of such events in collaboration with governments, the Collaborative Partnership on Forests, and international, regional and sub-regional organizations. International Day of Forests was observed for the first time on March 21, 2013.

Theme:- “Forests and Sustainable Production and Consumption”

Name of the Activity : NATIONAL PANCHAYATI RAJ DAY

Organising Body : DEPARTMENT OF POLITICAL SCIENCE

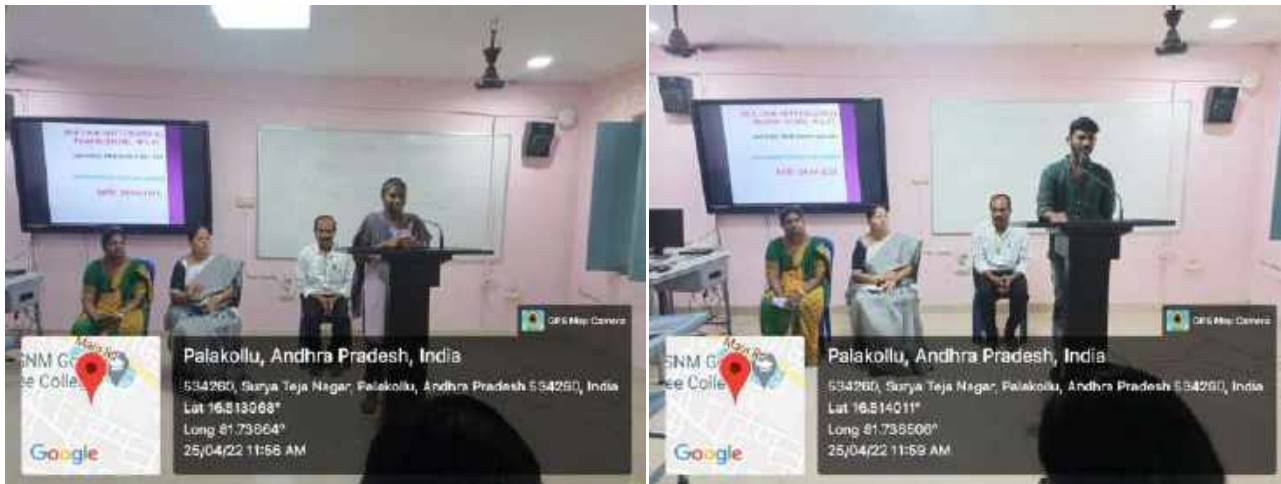

Date : 24 – 04 – 2022 (Conducted on 25.04.2022)

Description of the Activity : With the initiative of the Department of Political Science this Programme was conducted by College students and Faculty members. The Constitution (73rd Amendment) Act, 1992 that came into force with effect from 24th April, 1993 has vested constitutional status on Panchayati Raj institutions. This date thus marks a defining moment in the history of decentralization of political power to the grassroots level. The impact of the 73rd Amendment in rural India is very visible as it has changed power equations irreversibly. Accordingly, the Government of India decided in consultation with the States to celebrate 24th April as National Panchayati Raj Day. The commemoration is being anchored by the Ministry of Panchayati Raj. The National Panchayati Raj Day (NPRD) is being celebrated on 24 April since 2010.

No.of Participants : 42

Students : Miss P.Kamala II BA addressed the meeting and said about her experience of Certificates services from New Grama Sachivalayam system in AP . Mr.K.Vijay II B.Com addressed the meeting and said about the activities of Grama Panchyati in his village i.e Garbage collection, sanitation and water other activities of Gram Panchayati.
