

SRI A.S.N.M.GOV'T COLLEGE (A), PALAKOL, W.G.DT -534260.

Institutional Best Practice – Community Oriented Programmes

2020-2021

I.Title of the Practice:

Community Oriented Programmes

II. Objectives of the Practice:

- Expose the students to community issues
- To involve the students in community related issues
- To help the needy community
- To establish a direct relationship between the Organization and its stake holders
- To make learning a practical experience

III. The Context :

Keep in view of various occasions and there stake holders the College intense to establish harmonious relationship.As such one of the ways to promote the same is by taking students directly to the communities on various occasions and important days.

IV. The Practice:

1. Vaccination:

Today the entire humanity is scared about COVID-19 however the Vaccine has come to rescue and help humanity live confidently.

Therefore the College took initiative to organize the awareness and Vaccination Camp to the students and staff.

2. Aids Day:

International Aids Day was organized on 01-12-2021.

A Sensitization programme was organized for the staff and students. Since the world is shaken by the fear of HIV. The sensitization Programme was aimed at chasing by the misconceptions. This sensitization programme has ruled out all such wrong notions and informed to maintain the inclusive society.

3. Tree Plantation:

In view of the increasing Global Warming we have carried out a Tree Plantation programme on

The programme is aimed at inculcating the habit planting trees. Also to educate the students about the dire need to plant trees in order to enjoy the pollution free environment.

4. Blood Grouping & Donation:

A blood grouping & donation camp was organized on 30-12-2021. The college feels anything under the sky can be manufactured and commercialized except blood. Therefore the awareness about blood grouping and blood donation camp.

V. Evidence of success:

- The Vaccination programme has achieved its targets and many students both boys and girls along with some of the staff have received the second dose.
- The Aids Day rally has met its targets and brought a major change in the attitude of public on health issues.
- The Tree plantation programme has successfully met its goals by encouraging students to inculcate planting trees as a habit.
- The blood grouping and donation programme was a grand success and reached its goals.

VI. Problems Encountered:

- Limited resources
- Limited man power
- Poor support from stake holders
- Inadequate infrastructure

VII. Resources required to:

- Adequate funding
- Enough man power
- Active involvement of the stake holders
- Sufficient infrastructure

Name of the Activity : VACCINATION

Organizing Body :N.S.SUNIT-1 AND UNIT-2

Date :25-11-2021
