

Community Orientation

The college has set up JKC (Jawahar knowledge centre), Women empowerment cell, Examination cell, IQAC cell, With esteemed and dedicated efforts this cells the college promotes students of urban and rural areas and also offers placements support to all eligible students. The unemployed youth and students of other colleges are also invited to participate in the placements. The placement cell has been established in the year August 2007 and based on the legacy of the institution and its admirable performance, the Andhra Pradesh State Skill Development Corporation has identified JKC center as Nodel JKC center within West Godavari district. The Corporation regularly conducts various Skill Development Programs (online and offline) along with the schedules framed by the college. A tailor made programs are designed available for Soft skills, Communication Skills, Entrepreneur skill and Personality Development programs. Women Empowerment Cell provides trainings to girl students to empower them in various skills. Celebrate important national and international days such as Death anniversary of Dr. B.R. Ambedkar, Anti Ragging program, Youth affairs and women empowerment , program on protection girl child, illegal transport, program related to women or girl problems, International Women's day, Awareness program on self employment, Kishore vikas program, Disha app, counseling on safety and security, National girl child day, National webinar on the occasion Women's day, stop food waste day Women's equality day, . Women empowerment cell periodically invite various prominent persons from different fields to address the girl students in the college and conducting invited talks, guest lectures, awareness programs, self-employment opportunities and self-empowerment programs. Career Guidance and Placement Cell has a regular practice to arrange pre-placement talk at placement cell This activity supports the tag line of the Career Guidance and Placement Cell **"Enter to learn exit to earn"**. Majority of the students from all the streams in every year are registered in the LMS portal to avail programs. . In this way all the functional cells in assistance

with the respective departments, moves the spot light on each and every stakeholder of the institution. . We believe that irrespective of the gender, socio, economic differences, the dedicated and qualified staff members supported by enthusiastic student community will definitely benefit and upgrade the ultimate stakeholders of the college to make their future brighter and colorful. . The Library is established in the year 1968. From the day of establishment of Digital Library, the College is supporting the faculty and students to find their Book.
