19 18" Sept, 2019. Topic - 2. How to improve communication especially speaking skills in English. "Human is a social animal, they need language to communicate." As human beings we all have to communicate. So use need to in English language Convincation" Groups in the Discussion - Aumanities BA. - Commerce Blom - Beiences B.Sc. Sumaneties :

15 According to Humanities * Speaking is a key concept in general communication * to improve speaking, we must listen to the speech. good listeners good speaker. * to develop speaking skille we make vocabelang excencices they enrich the language shills. * Vocabulary plays key role in language dearing * Through listening we can enrich much worahulory that enables us to improve vecalulary Commerce: * to enrich speaking skills in any language, when readtouse it like A tripe would be sharp asher it is used. Now these day english plays key role in the lives of furgice because it is a lfobel language. * Most of the countries pues Enginas a link language so English communication plays key sole in opportunities so learning speaking skille in englist provides comployment. & its enrich language shills; Sistering skills enhances the lagrage abilities. Especially repeated usinge of Clanguage worabulary enhances language enalytical skills.

JBW

16 Sciences: * According to - Communication needs language. Now Englin is leading language because it in the ky language it is a source for knowledge. * To enhancing vocabulary playing rocalerlary games because play way method is helpful joyful learning. German in not much important in leaving because we speak Mother Tongue without learning grammar but use learnt grammar unconciously. Likewise if we disting to much our mind grasp the rule behind the structure, ic; enhances the papil to spende -flerently. Conclusion: do to learn la grage listening and very test la grage in the bes

DEPARTMENT OF MATHEMATICS

GROUP DISCUSSION

2019-2020

The Department of Mathematics conducted one Group Discussion Programme on 22-02-2020 for the Academic year 2019-2020. The department send the circular on 20-02-2020 to the students of that classes we conduct the Group Discussion Program. All the students were prepare on prescribed topic given by the class lecturer.

1. Dt.22-02-2020 GROUP DISCUSSION

The Department of Mathematics conducted Group discussion on 22-02-2020 for the I B.Sc M.P.C (E.M & T.M) Students. The students are divided into two teams Team A and Team B. The students were discussed about the questions on given topic "Real Numbers and Prime Numbers" after that given answers on questions asked by the quiz master. This program was very interesting among the students to share their ideas about the content. Students are very happy about conducting this type of activity to improve their knowledge.
