Skills achieved	Tree planting is one way of showing our efforts in making this world a
	much better place to live in.
Values achieved	Trees provide numerous long-term and short-term benefits. They not
	only look nice, but they also remove and store carbon from the
	atmosphere, slow heavy rain and thus reduce the risk of flooding,
	improve air quality, and reduce the urban heat island effect by
	reflecting sunlight and providing shade.

S.No	4
Name of the activity	SWATCHA BHARATH
Date of conducting the	1/0/2017
activity	1/9/2017
Organised by Dept./Committee	NSS UNIT –I & II
Objective or nature of the activity curricular/Extension to community	To accelerate the efforts to achieve universal sanitation coverage and to put the focus on sanitation, the Prime Minister of India had launched the Swachh Bharat Mission on 2nd October 2014. Under the mission, all villages, Gram Panchayats, Districts, States and Union Territories in India declared themselves "open-defecation free" (ODF) by 2 October 2019, the 150th birth anniversary of Mahatma Gandhi, by constructing over 100 million toilets in rural India. To ensure that the open defecation free behaviours are sustained, no one is left behind, and that solid and liquid waste management facilities are accessible, the Mission is moving towards the next Phase II of SBMG i.e ODF-Plus. ODF Plus activities under Phase II of Swachh Bharat Mission (Grameen) will reinforce ODF behaviours and focus on providing interventions for the safe management of solid and liquid waste in villages.
Level of the activity College/Mandal/ district/university	COLLEGE LEVEL
Name of the Resource Person	
No. Of students participated	350
Skills achieved	Protection ofb the campus and cleaning of the campus and maintenance of beautification with in the campus.
