**A Report on  
STUDENT INDUCTION PROGRAM  
Academic Year 2019-20**

**(FROM 17 – 06 – 2019 TO 20 – 06 – 2019)**

## **Name of the Activity : Student Induction Program**

### **About Induction Program:**

Change is inevitable. Transition period is always tedious. So is the transition for students from their pre-university academics to professional curriculum. After rigorous training and planning required to join a professional college, students deserve time to unwind themselves to forge new relations with fellow students and familiarize themselves with the new environment. Induction program helps in making students of first year feel comfortable, creating opportunities to showcase their talents and interests and shape their character. An induction programme is a harbinger of various in-campus & off-campus activities specially designed for entrants to fill the gap. Induction Program is a beautiful combination of literary activities, cultural activities, personality development activities, Universal Human Values sessions, sports and many more..

DAY 1: TOPIC : Induction of College , Courses and Future of Students.

DAY 2: College Human Values, Relations.

DAY 3: Extra-Curricular Activities , Society Anti ragging and Cultural activities

DAY 4: Anti Ragging and Induction Programme

### **Summary:**

The goal of higher education is to nurture human beings responsible for their own betterment and capable of sustaining society and nature, besides enabling them to procure a position to earn their livelihood. The incoming undergraduate students are often influenced by their parents and society to join higher study without understanding their own interests and talents. There is high probability that students fail to develop an understanding about the goals of Educational Institutes as well as higher education. The graduating student must have knowledge and meta-skills related to his/her work, and as a citizen.
