4.1.1(3) **National Service Scheme**

National Service Scheme is offered to the students as an alternative to NCC and our College has two NSS units namely NSS UNIT-I and NSS UNIT-II. Each unit is under the control of a programme officer who is solely responsible for the entire working of that unit. He/She is guided by the Principal and some senior staff members of the college every year the NSS Unit will conduct special camps both in Rural and Urban Settings. Some of the selected students will participate in the camps free of cost and get camp certificates from the university. Certificates and camp certificates carry additional weightage and value to those who wish to get jobs in the government services and voluntary bodies and admission into higher studies.

Health care centre

First aid is the assistance given to a person suffering a sudden illness

To ensure the safety of all the staff members and students

First aid in colleges is especially helpful as students often get into accidents that can need swift care in order to prevent things from escalating.

First aid methods will help you to feel more secure and confident when dealing with emergency situations.

First aid is the initial immediate help that is given to staff and students who suffer an injury (or) illness.

To ensure the safety of all the staff members and students, it is important to have first aid in the colleges
