DEPARTMENT OF ZOOLOGY

S.No	02
Name of the activity	Department Clean &Green
Date of conducting the activity	05-10-2021
Organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	This translates better classroom involvement and decrease the spread of germs and illness is reduced and promotes a Health Environment
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr.M.Ramakrishna
No. Of students participated	20
Skills achieved	Knowing about how to maintain surroundings clean and beautiful
Values achieved	To develop good qualities of living nature.

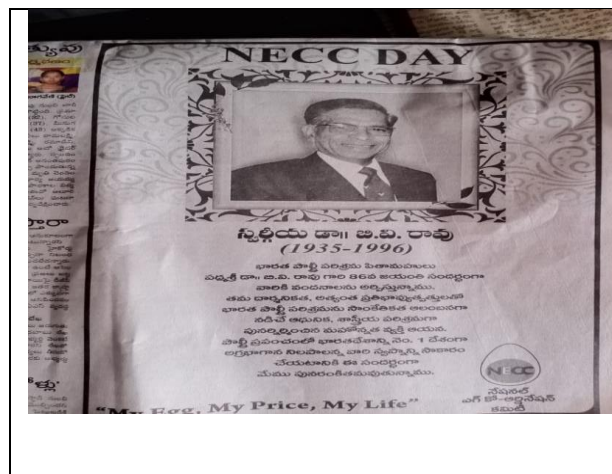

Signature of the Incharge

Signature of the Principal

DEPARTMENT OF ZOOLOGY

S.No	6
Name of the activity	Wild life conservation day
Date of conducting the activity	06-12-2021
Organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	The aim of wildlife conservation is to ensure the survival of these species, and to educate people on living sustainably with other species.
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr.T.Raja Rajeswari
No. Of students participated	22
Skills achieved	Wildlife conservation preserve and protect the habitats of animals and plants.
Values achieved	World Wildlife Conservation Day is to spread awareness about preserving Earth's endangered Flora & Fauna. To make people aware of wildlife issues and appeal to them to conserve them

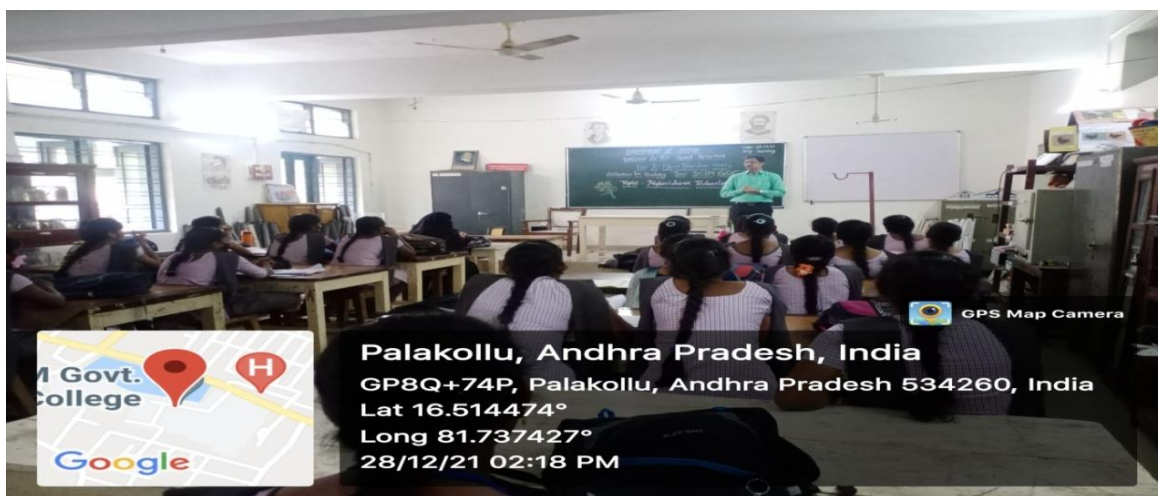

Signature of the Incharge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL,WG.DT

DEPARTMENT OF ZOOLOGY

S.No	7
Name of the activity	Guest lecture on “Hybridoma technology”
Date of conducting the activity	28-12-2021
Organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	A guest lecture gives students a better opportunity to learn about an explicit topic in a way that gets them involved in the class and actively join in a more convenient way of teaching.
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr. K.Naga Bhushan Reddy, Lecturer in zoology. Sri SCIM Govt, Degree college, Tanuku
No. Of students participated	26
Skills achieved	Hybridoma technology is composed of several technical procedures, including antigen preparation, animal immunization, cell fusion, hybridoma screening.
Values achieved	Hybridoma antibodies can be produced in vitro and in vivo.

Signature of the Incharge

Signature of the Princip

DEPARTMENT OF ZOOLOGY

S.No	8
Name of the activity	Valedictory of Certificate Course in Ornamental Fishes In Aquaculture
Date of conducting the activity	31-12-2021
organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	To know about the culture of attractive, colorful fishes of various characteristics, which are reared in a confined aquatic system.
Level of the activity College/Mandal/ district/university	Department level
Name of the Resource Person	Dr.B.Subbalakshmi, Lecturer in Telugu Sri A.S.N .M Government College, Palakol,Wg.Dt
No. Of students participated	22
Skills achieved	To known about the culture practices ,types of breeds and feeding techniques
Values achieved	The viability of ornamental fish culture relies on the maintenance of high-quality breeds

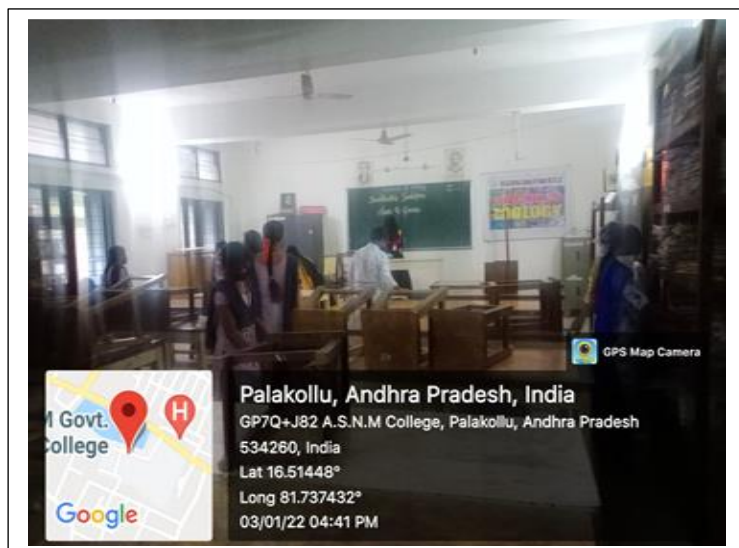

Signature of the Incharge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL, WG.DT

DEPARTMENT OF ZOOLOGY

S.No	9
Name of the activity	Department Clean & Green program
Date of conducting the activity	03-01-2022
Organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	This translates to fewer absences, better classroom involvement, higher grades, and more successful graduation rates. When you conduct regular cleanings, the spread of germs and illnesses is reduced and promotes a healthy environment.
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Department Staff & Students
No. Of students participated	28
Skills achieved	How to clean the department and college campus learned the students
Values achieved	To develop good qualities of living nature

Signature of the Incharge

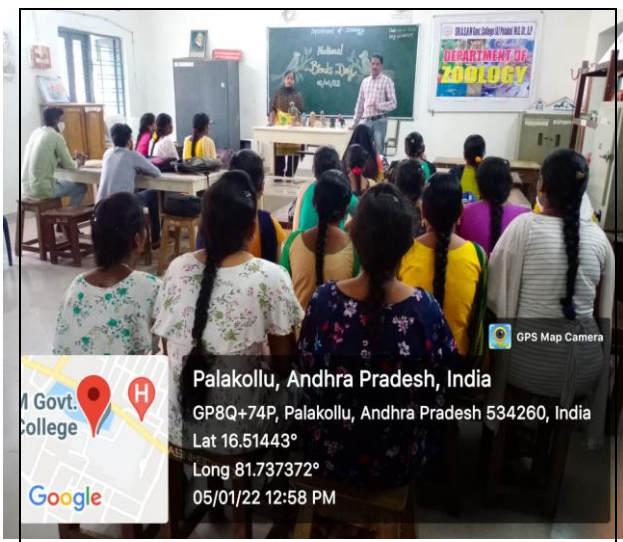

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL, WG.DT

DEPARTMENT OF ZOOLOGY

S.No	10
Name of the activity	National Bird Day Celebration
Date of conducting the activity	05-01-2022
Organised by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	National Bird Day 2022 is being observed on January 5 th , as people around the world come forward to raise awareness about the conservation of such beautiful aerial creatures..
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr.K.Ramaneswari, Prof. In zoology AKNU,Rajahmundry
No. Of students participated	25
Skills achieved	Knowing about the importance of birds and their role in role in controlling pests, acting as pollinators. In addition, birds are important to humans in many ways, such as serving as a source of food and providing fertilizer in agricultural settings.
Values achieved	To conserve birds from Threatening

Signature of the In charge

Signature of the Principal

DEPARTMENT OF ZOOLOGY

S.No	11
Name of the activity	field visit to Fish market
Date of conducting the activity	29-01-2022
organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	The main objective is the way of enhancing classroom learning by making real world connections.
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr.M.Ramakrishna, Lecturer in Zoology
No. Of students participated	03
Skills achieved	They know about the identification characters for different species.
Values achieved	Knowing about the Economic Importance of Shellfish and Finfish

Signature of the In charge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL, WG.DT

DEPARTMENT OF ZOOLOGY

S.No	12
Name of the activity	Inauguration of M.Sc. Aquaculture course
Date of conducting the activity	15-02-2022
Organised by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	The main aim is to aware about the importance, opportunities, placements and advantages of the Aquaculture
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr.M.Ramakrishna Lecturer in Zoology
No. Of students participated	30
Skills achieved	The Student may able to know about Aquatic Toxicology, Biodiversity, Fish Nutrition, Fish Diseases, Immunology, and Endocrinology by undergoing post graduation in this course.
Values achieved	Successful postgraduates of the course are hired in various government and private organizations across the country

Signature of the Incharge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL,WG.DT

DEPARTMENT OF ZOOLOGY

S.No	13
Name of the activity	“SCIENCE ,TECHNOLOGY AND INNOVATIONS ARE KEY DRIVERS TO THE SELF-RELIANT INDIA “National webinar
Date of conducting the activity	27-02-2021
Organised by Dept./Committee	D.R.G govt college Science Dept.
Objective or nature of the activity curricular/Extension to community	The aim is to make the country and its citizens independent and self-reliant in all senses. He further outlined five pillars of AatmaNirbhar Bharat – Economy, Infrastructure, System, Vibrant Demography and Demand.
Level of the activity College/Mandal/ district/university	National webinar
Name of the Resource Person	Dr.B.Jaganmohanreddy, associate professor AKNU Rajhamahendravaram
No. Of students participated	4
Skills achieved	Knowing about the importance of technology in present days
Values achieved	Technology Provides Different Learning Styles

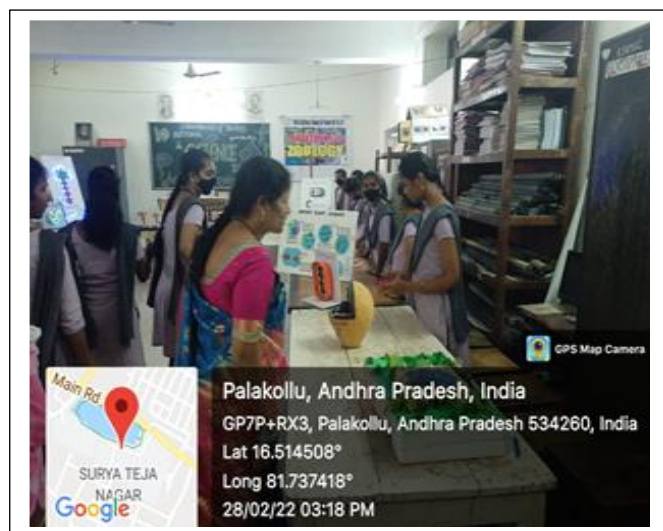

Signature of the Incharge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL,WG.DT

DEPARTMENT OF ZOOLOGY

S.No	14
Name of the activity	National Science Day
Date of conducting the activity	28-02-2022
organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	The Department of zoology organized a science exhibition with models which are prepared by students
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr.T.RajaRajeswari, Principal,Sri A.S.N.M. GDC (A) Palakol
No. Of students participated	40
Skills achieved	The preparation of models represents of an idea, an object or even a process or a system that is used to describe and explain phenomena that cannot be experienced directly
Values achieved	Science education activities provide children with opportunities to develop and practice many different skills and attributes. These include communication skills, collaborative skills, team working and perseverance, as well as analytical, reasoning and problem-solving skills

Signature of the Incharge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL, WG.DT

DEPARTMENT OF ZOOLOGY

S.No	15
Name of the activity	World Wildlife Day
Date of conducting the activity	03-03-2022
organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	World Wildlife Day (WWD) is an opportunity to celebrate the many beautiful and varied forms of wild fauna and flora and to raise awareness of the multitude of benefits that their conservation provides to people.
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr. T.Raja Rajeswari Principal, SRI ASNM GDC (A) Palakol.
No. Of students participated	50
Skills achieved	The students knowing about multitude of benefits that their conservation provides to people.
Values achieved	In this context, conservation value is understood to reflect the values of biodiversity, information/knowledge, and environmental quality

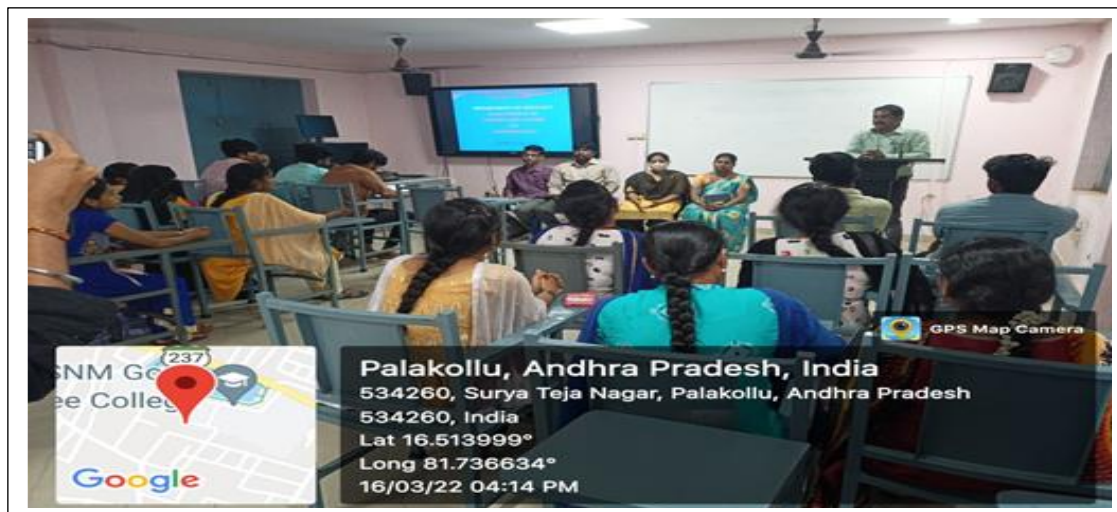

Signature of the Incharge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL, WG.DT

DEPARTMENT OF ZOOLOGY

S.No	16
Name of the activity	Inauguration Programme on Certificate Course in HEMATOLOGY
Date of conducting the activity	16-03-2022
Organised by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	The Chief Guest of this occasion Dr. B Subbalakshmi madam told the importance of Blood and it's components in the field of Hematology. She also told that this course will be definitely benefited to the Science students
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr. BSubbalakshmi, Lecture in Telugu
No. Of students participated	30
Skills achieved	The student may able to identify different types of blood groups. The student may able to identify different types of blood born diseases
Values achieved	The hematological reference values are very important for diagnostic orientation and treatment decision

Signature of the In charge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL,WG.DT

DEPARTMENT OF ZOOLOGY

S.No	17
Name of the activity	field visit to Korangi & Yanam
Date of conducting the activity	22/03/2022
organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	The main objective is to identify different types of shellfish and finfishes, capturing objects and different types of boats and also the importance of mangroove plants.
Level of the activity College/Mandal/ district/university	Department Level
Name of the Resource Person	Dr.M.Ramakrishna, Lecturer in Zoology
No. Of students participated	50
Skills achieved	They came to know about that the mangrove plants provides nursery habitat for many commercial fish and shell fishes and they also protect the species that are the basis of 7.6 billion sea food.
Values achieved	Students where known about the ancient history of yanum which was ruled by the French government in 1723.

DEPARTMENT OF ZOOLOGY

S.No	18
Name of the activity	World Brain Tumors Day
Date of conducting the activity	09-06-22
Organised by Dept./Committee	Department of Zoology
Objective or nature of the activity/curricular/Extension to community	The Department of Zoology Organized online Meeting through Zoom Meet On 09-06-22. Principal Dr.T. Rajarajeswari as a chief Guest addressed to the students about the Brain Tumour by a virtual presentation which includes symptoms like Headache,vissionproblems,vomiting and Diagnosis like Neurological exam,Imaging tests (MRI),Treatment like Surgery,Radiation Therapy, Chemo therapy and also the proper precautions. HOD of Zoology Dr. M Ramakrishna gave an inaugural message of the Day. All the staff and students were actively participated in the programme and made it grand success. Vote of Thanks was given by kum.P.Jyotsnasri ,Guest faculty in zoology
Level of the activity College/Mandal/district/university	Department Level
Name of the Resource Person	Dr. T Raja Rajeswari,Principal
No. Of students participated	40
Skills achieved	The students knowing about the detection techniques by neurological tests
Values achieved	Brain tumor detection at early stages can increase the chances of the patient's recovery after treatment

Signature of the Incharge

Signature of the Principal

SRI A.S.N .M GOVERNMENT COLLEGE, PALAKOL, WG.DT

DEPARTMENT OF ZOOLOGY

S.No	19
Name of the activity	field visit to Aqua ponds at kaza village and Fish market at Palakol
Date of conducting the activity	16-06-2022
organized by Dept./Committee	Department of Zoology
Objective or nature of the activity curricular/Extension to community	The main objective is that the student may able to get knowledge about the culture techniques,feeding managements,Identification of seasonal diseases by physical observation of the fish.
Level of the activity College/Mandal/district/university	Department Level
Name of the Resource Person	Dr.M.Ramakrishna, Lecturer in Zoology
No. Of students participated	55
Skills achieved	Students observed the Pond Ecosytem and they clarified their doubts regarding the seed selection ,Transportation, Stocking management, Feed management and Diseases and their symptoms by asking the pond owner
Values achieved	The students enriched with the knowledge about the site selection and all facilities should be available to cultivate a fish and shrimp ponds.
