03-01-2025

As part of the *Sankranthi Sambaralu* celebrations at Sri ASNM Government College, Palakol, a thrilling kabaddi tournament was organized on January 3, 2025. The event was conducted by the Cultural Committee and the Department of Physical Education, aiming to promote physical fitness, teamwork, and traditional sportsmanship among students. Kabaddi, a game that requires strength, agility, strategic thinking, and coordination, was chosen as the sport for the competition, highlighting the significance of traditional Indian games in modern times.

The tournament witnessed enthusiastic participation from students, with a total of 28 players competing in intense matches. The event was graced by the presence of Mr. Gade Subbarao from Lakshmi Narasimha Trading Company, Palakol, who is also an esteemed alumnus of the college. His presence and encouragement added immense value to the event, motivating participants to perform at their best.

The kabaddi matches were played with great energy and competitive spirit. Players demonstrated remarkable endurance, agility, and coordination, making the event both engaging and inspiring. The defensive formations and well-executed raids by the teams kept the audience on the edge of their seats, creating an electrifying atmosphere throughout the tournament. The participants exhibited essential skills such as strength and stamina, teamwork, and breath control, which are crucial for excelling in the sport.

Apart from developing physical abilities, the tournament also instilled important values among students. Discipline was emphasized as players strictly followed the rules and regulations of the game, ensuring fair play. The spirit of teamwork, trust, and coordination was evident as teams worked together to trap raiders and defend their territory. Additionally, the game promoted physical fitness by enhancing players' endurance, strength, and flexibility.

The kabaddi tournament successfully reinforced the cultural significance of traditional games while fostering a spirit of sportsmanship among students. It provided them with an opportunity to develop essential life skills such as strategic thinking, cooperation, and resilience. The event concluded on a high note, with students feeling motivated to continue engaging in sports and maintaining an active lifestyle. The enthusiastic response and participation in the tournament highlighted the importance of integrating such physical activities into college events, ensuring holistic development among students.

Cultural Committee

06-01-2025

The Cultural Committee of Sri A.S.N.M. Government College (A), Palakol, successfully organized a grand Cultural Fete for degree colleges from the erstwhile East and West Godavari districts on January 6, 2025. The event provided an excellent platform for students to exhibit their artistic talents in classical and folk dance, singing, and one-act plays**.** This initiative aimed to celebrate cultural heritage, promote creativity, and encourage artistic expression while fostering unity among students from different institutions. The cultural fete was an extension of community-based activities, emphasizing both curricular and extracurricular engagement.

The event witnessed the participation of 55 students, who showcased remarkable talent in various performing arts categories. The dance performances included classical forms such as Kuchipudi and Bharatanatyam, along with traditional folk dances like Kolatam, which enthralled the audience. The singing segment featured a rich musical diversity, encompassing classical, light music, and folk songs**,** each performance capturing the essence of cultural and regional heritage. The one-act plays presented during the event focused on various themes, including social issues, humor, and historical narratives**,** leaving a lasting impact on both the spectators and the judges.

Prominent resource persons, Dr. D. Seshagiri Rao (Advocate), Dr. N. Bhagya Lakshmi (Dandiya Trainer), and Sri R. Appa Rao (Director, Deepthi School, Palakol)**,** graced the occasion and provided valuable insights into the importance of cultural activities in education. Their presence and encouragement motivated the participants to perform with confidence and enthusiasm. The event significantly contributed to skill development, particularly in performance, expression, creativity**,** and innovation**.** It also helped students build confidence, stage presence, and artistic storytelling abilities.

Beyond skill enhancement, the cultural fete played a crucial role in cultural preservation by encouraging students to appreciate and continue traditional dance, music, and theatrical art forms. The event also served as a platform for self-expression, allowing students to narrate stories, voice social concerns, and creatively engage with the audience. The festival successfully strengthened the cultural bond among students, fostering a sense of unity and artistic spirit. The enthusiastic participation and high-quality performances made this cultural fete a grand success, leaving a memorable experience for both performers and spectators alike.

Department of Commerce and Cultural committee

09-01-2025

As part of the **Sankranthi Sambaralu-2025** celebrations, the **Department of Commerce and Cultural Committee** of **Sri A.S.N.M. Government College (A), Palakol**, organized a **Food Fest and Handicrafts Exhibition-Cum-Sale** on **January 9, 2025**, at the **Mandal level**. The primary objective of this event was to **encourage students to apply theoretical knowledge to practical entrepreneurial ventures**, thereby enhancing their **marketing, organizational, and business management skills**. Additionally, the event aimed to foster **creativity and craftsmanship** by promoting **handmade products such as lacework, jute bags, and paper bags**, supporting eco-friendly and sustainable practices.

The competition was judged by a panel of distinguished guests, including **Dr. Ch. Uma Sharma, Smt. S. Vani, Smt. K. Sri Lakshmi, and Smt. K. Lakshmi Durga**, who assessed the participants based on **innovation, presentation, and business strategy**. The event saw the enthusiastic participation of **50 students**, including **Junior Intermediate students from neighboring colleges**, fostering a spirit of **community and collaboration**.

The **Food Fest** was a major highlight, featuring **20 food stalls** offering a delightful variety of traditional **Sankranthi delicacies** such as **Ragi Sankati, sweets, and chicken biryani**. These stalls attracted a large number of visitors and provided students with **hands-on experience in business operations, budgeting, pricing strategies, and customer service**. Alongside, the **Handicrafts Exhibition** included **five stalls displaying eco-friendly products** like **lacework, jute bags, and paper bags**, which showcased the students' creativity and commitment to sustainability.

The event significantly contributed to the **entrepreneurial development** of students by helping them **understand consumer preferences, communication strategies, and sales techniques**. Participants also gained insights into **leadership, teamwork, and ethical business practices**, learning the importance of **fairness, transparency, and honesty in transactions**. Moreover, the experience helped students **build self-confidence and motivation** by allowing them to execute and succeed in real-world business scenarios.

Under the guidance of **Principal Dr. T. Rajarajeswari** and faculty mentors, the event was meticulously organized and successfully executed. The hands-on experience not only strengthened students' **business acumen** but also reinforced their **cultural values and environmental consciousness**.

THEME OF WATERCONSERVATION

29-01-2025

On January 29, 2025, the Department of Computer Applications at Sri A.S.N.M. Government College (A), Palakol, organized an awareness program on the "Theme of Water Conservation." The event aimed to educate students and the community about the importance of conserving water resources, ensuring sustainable usage, and reducing wastage. With the increasing concerns over water scarcity and environmental degradation, the program served as a valuable platform to highlight the necessity of adopting responsible water management practices.

The session was graced by T. Krishna, Vice Principal of Sri A.S.N.M. Government College (A), Palakol, as the Resource Person, who provided insightful discussions on water conservation strategies and the significance of water preservation for future generations. A total of 55 students actively participated in the event, engaging in discussions, presentations, and interactive activities designed to enhance their understanding of water conservation methods.

During the session, students were educated on various techniques to reduce water wastage, including rainwater harvesting, efficient water usage in households and industries, and preventing water pollution. The event emphasized the critical role of individuals, communities, and industries in conserving water and adopting sustainable practices in daily life. The participants gained valuable insights into how simple lifestyle changes, such as fixing leaks, reusing water, and using water-efficient appliances, can significantly contribute to water conservation efforts.

Through this initiative, students developed essential skills in advocating for sustainable practices, understanding the science behind water conservation, and implementing eco-friendly solutions in their personal and professional lives. The event also helped foster a strong sense of environmental responsibility, making participants more conscious of the impact of water misuse and the need for immediate action to safeguard this essential resource.

The program successfully instilled values of environmental stewardship and community responsibility, encouraging students to take an active role in promoting water conservation awareness among their peers, families, and society. By highlighting the importance of sustainable water management, the event inspired students to become ambassadors of change, ensuring that water remains accessible for future generations.
